Cool styles for warm May days.

what we're all about

HomePortfolio presents an independent editorial selection of the world's best home design products, coupled with electronic brochures created for paying manufacturers. It offers a broad selection of products, informative content, easy-to-use search capabilities, and personalized tools for rating products and saving or sharing favorites. By combining product information in new ways and offering it for free over the Web, HomePortfolio offers time-strapped consumers a dramatically more convenient way to shop for premium home design products.

The screenshot shows the Microsoft Internet Explorer browser window. The address bar displays the URL: <http://prologica.malecon.com/Guest/DefaultC.html>. The main content area features a large banner with the text "Prologica Malecon" and "The Official Website of the Malecon de la Habana". Below the banner, there are several sections: "Prologica Malecon", "Malecon de la Habana", "Prologica Malecon", "Malecon de la Habana", and "Prologica Malecon". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains buttons for Back, Forward, Stop, Reload, Home, Search, Favorites, History, Mail, Print, Edit, and Discuss. The status bar at the bottom shows "http://prologica.malecon.com/Guest/DefaultC.html".
